Unique to our organization is that we strive to address the culture-specific needs of the Asian, Asian-American, Pacific-Islander, East Asian, and South Asian people; fostering inter-generational dialogue, and when needed, providing language assistance. Your membership and donations support the following programs we offer: monthly support group, afternoon tea with Asian parents, family circles, resources, and events participation. We are a 501(c)(3) non-profit organization. Your membership dues and donations are tax deductible.
